Honorable Board of Commissioners

County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Commissioners:

**AWARD CONTRACT TO PROVIDE RECORDS MANAGEMENT ASSESSMENT
SERVICES (ALL DISTRICTS AFFECTED) (3 Vote)**

SUBJECT:

This letter requests approval of a contract with Nunez & Associates, Inc. to provide records management assessment consulting services to the Community Development Commission.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that approval of a contract with Nunez & Associates, Inc. (Consultant) to provide records management assessment consulting services is not subject to the provisions of the California Environmental Quality Act (CEQA), as described herein, because the activities are not defined as a project under CEQA.
2. Approve and authorize the Acting Executive Director to execute, administer, implement, and if necessary terminate a one-year Records Management Assessment Services contract (Contract) with the Consultant, using the form of the attached, to provide records management assessment services, to be effective following approval as to form by County Counsel and execution by all parties.
3. Authorize the Acting Executive Director to execute amendments to the one-year Contract, following approval as to form by County Counsel, to increase the Contract amount by up to ten percent to cover unforeseen costs, modify the scope of work to address

unforeseen issues, extend the time of performance for up to four years, in one-year increments, or make other non-monetary changes necessary for the administration and implementation of the Contract.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION:

The purpose of the recommended action is to enter into a Contract to retain the services of Nunez & Associates, Inc. to provide needed records management assessment services for the Community Development Commission.

FISCAL IMPACT/ FINANCING:

There is no impact on the County general fund. The amount of compensation under the Contract will not exceed \$116,990.

The Commission will compensate the Consultant for services under the Contract in a maximum aggregate amount of \$116,990 in administrative services funds included in the Commission's approved Fiscal Year 2008-2009 budget. After the first year, the Commission may extend the Contract for an additional four years, in one-year increments, for the purpose of giving the Consultant additional time to complete the required work or address unforeseen issues.

An approximate ten percent contingency, in the maximum aggregate amount of \$11,699, is also being set aside to cover unforeseen costs using the same source of funds.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

The Commission currently has a Records Retention and Disposition Schedules document and desires to create a Records Management Policy. The Commission currently stores approximately 4,000 boxes of records at an off-site warehouse at an annual cost of \$77,100. The Commission is currently using the Laserfiche application system for imaging and document capture, with most divisions using Laserfiche strictly for storage and retrieval. It is now necessary for the Commission to analyze its current records retention and destruction program in order to comply with all Federal and State regulations regarding retention and destruction of documents. The Commission is also seeking advice on available and appropriate modern technologies for records management, storage, and destruction.

Over the initial one-year term, the Consultant will perform the following services: assess document management, electronic mail management, imaging/capture, archival and storage, records management, and web content management; assess business processes and workflow from creation of records through final disposition; assess

electronic storage systems, identify and access potential and existing interfaces between programs; assess operational and cost efficiency for the preservation, management, and disposition of records; assess policy, procedures and retention/disposition schedules and determine if they are in compliance with current Federal, State, and local requirements.

Upon completion of the assessment, the Consultant will provide a summary of findings identifying strengths, weaknesses, needs, and proposed modifications for the Commission's Records Management Program, including operations, technology and records storage.

After the findings are presented to the Commission's management, the Consultant will assist with subsequent program changes and implementation, revisions to the Commission Records Management Policy and Retention Schedules, development of a records disaster mitigation and recovery plan, development and delivery of a records management training program for all employees, and preparation of user manuals/online trainings to support the Commission Records Management Program.

The cost of services will not exceed the costs accepted on the Cost Sheet submitted with the proposal in response to the Request for Proposals.

Should the Consultant require additional or replacement personnel during the term of the Contract, they will give consideration for any such employment openings to participants in the County's Department of Public Social Services' Greater Avenues for Independence (GAIN) Program and General Relief Opportunity for Work (GROW) Program who meet the minimum qualifications for the open positions. The Consultant will contact the County's GAIN/GROW Division for a list of participants by job category.

ENVIRONMENTAL DOCUMENTATION:

This action is exempt from the provisions of the National Environmental Policy Act pursuant to 24 Code of Federal Regulations, Part 58, Section 58.34 (a)(3) because it involves administrative activities that will not have a physical impact on or result in any physical changes to the environment. The action is not subject to the provisions of CEQA pursuant to State CEQA Guidelines 15060(c)(3) and 15378 because it is not defined as a project under CEQA and does not have the potential for causing a significant effect on the environment.

CONTRACTING PROCESS:

On January 31, 2008, the Commission initiated an outreach program to identify qualified consultants to provide records management assessment services. Notices of the availability of the Request for Proposals (RFP) were mailed to 61 records management consultants identified from the Commission's vendor list. The availability of the RFP

was advertised in Los Angeles Times newspaper and listed on the County Office of Small Business Web Site as part of the procurement process. A total of five proposal packages were requested and distributed.

A total of three proposals were received by the submission deadline of February 21, 2008. The proposals were evaluated by a review panel comprised of three representatives from the Commission. The review panel recommends Nunez and Associates, Inc. for the Contract award.

The Summary of Outreach Activities is provided as Attachment A.

IMPACT ON CURRENT PROGRAMS:

Approval of the Contract will provide assessment services for the Community Development Commission's current Records Management Program and provide long-term benefits including cost savings, higher productivity, and modern technologies to help run the programs efficiently and in accordance with federal and local requirements.

Respectfully submitted,

for WILLIAM K. HUANG
Acting Executive Director

In the event of such a breach, the Commission shall have the right, at its sole election, to participate in and control any insurance claim, adjustment, or dispute with the insurance carrier.
